Board of Directors Meeting

Staff Report – Request for Board Action

Date: May 3, 2021

From: Shanon McCarthy, RSFGC Interim General Manager

Item: Locker Room Usage

The Golf Club's request to return the locker rooms to their original configuration has been posted for member comment since March 4, 2021, and about 95 member comments were received with about 60% in favor of and 40% opposed to the change. Action on the item was postponed on April 1, 2021, to give the Board additional time to deliberate. The item is back before the Board for approval, as recommended by the Golf Board of Governors.

Proposed revisions to Golf Club Rules

The Rancho Santa Fe Association is considering revisions to the Rancho Santa Fe Golf Club Rules. Pursuant to Civil Code section 4630, Member comments may be submitted to the Board prior to formal adoption of the rules. The Board will consider comments and formally adopt the rule changes at an open meeting not less than 28 days from the date posted.

Purpose and Effect

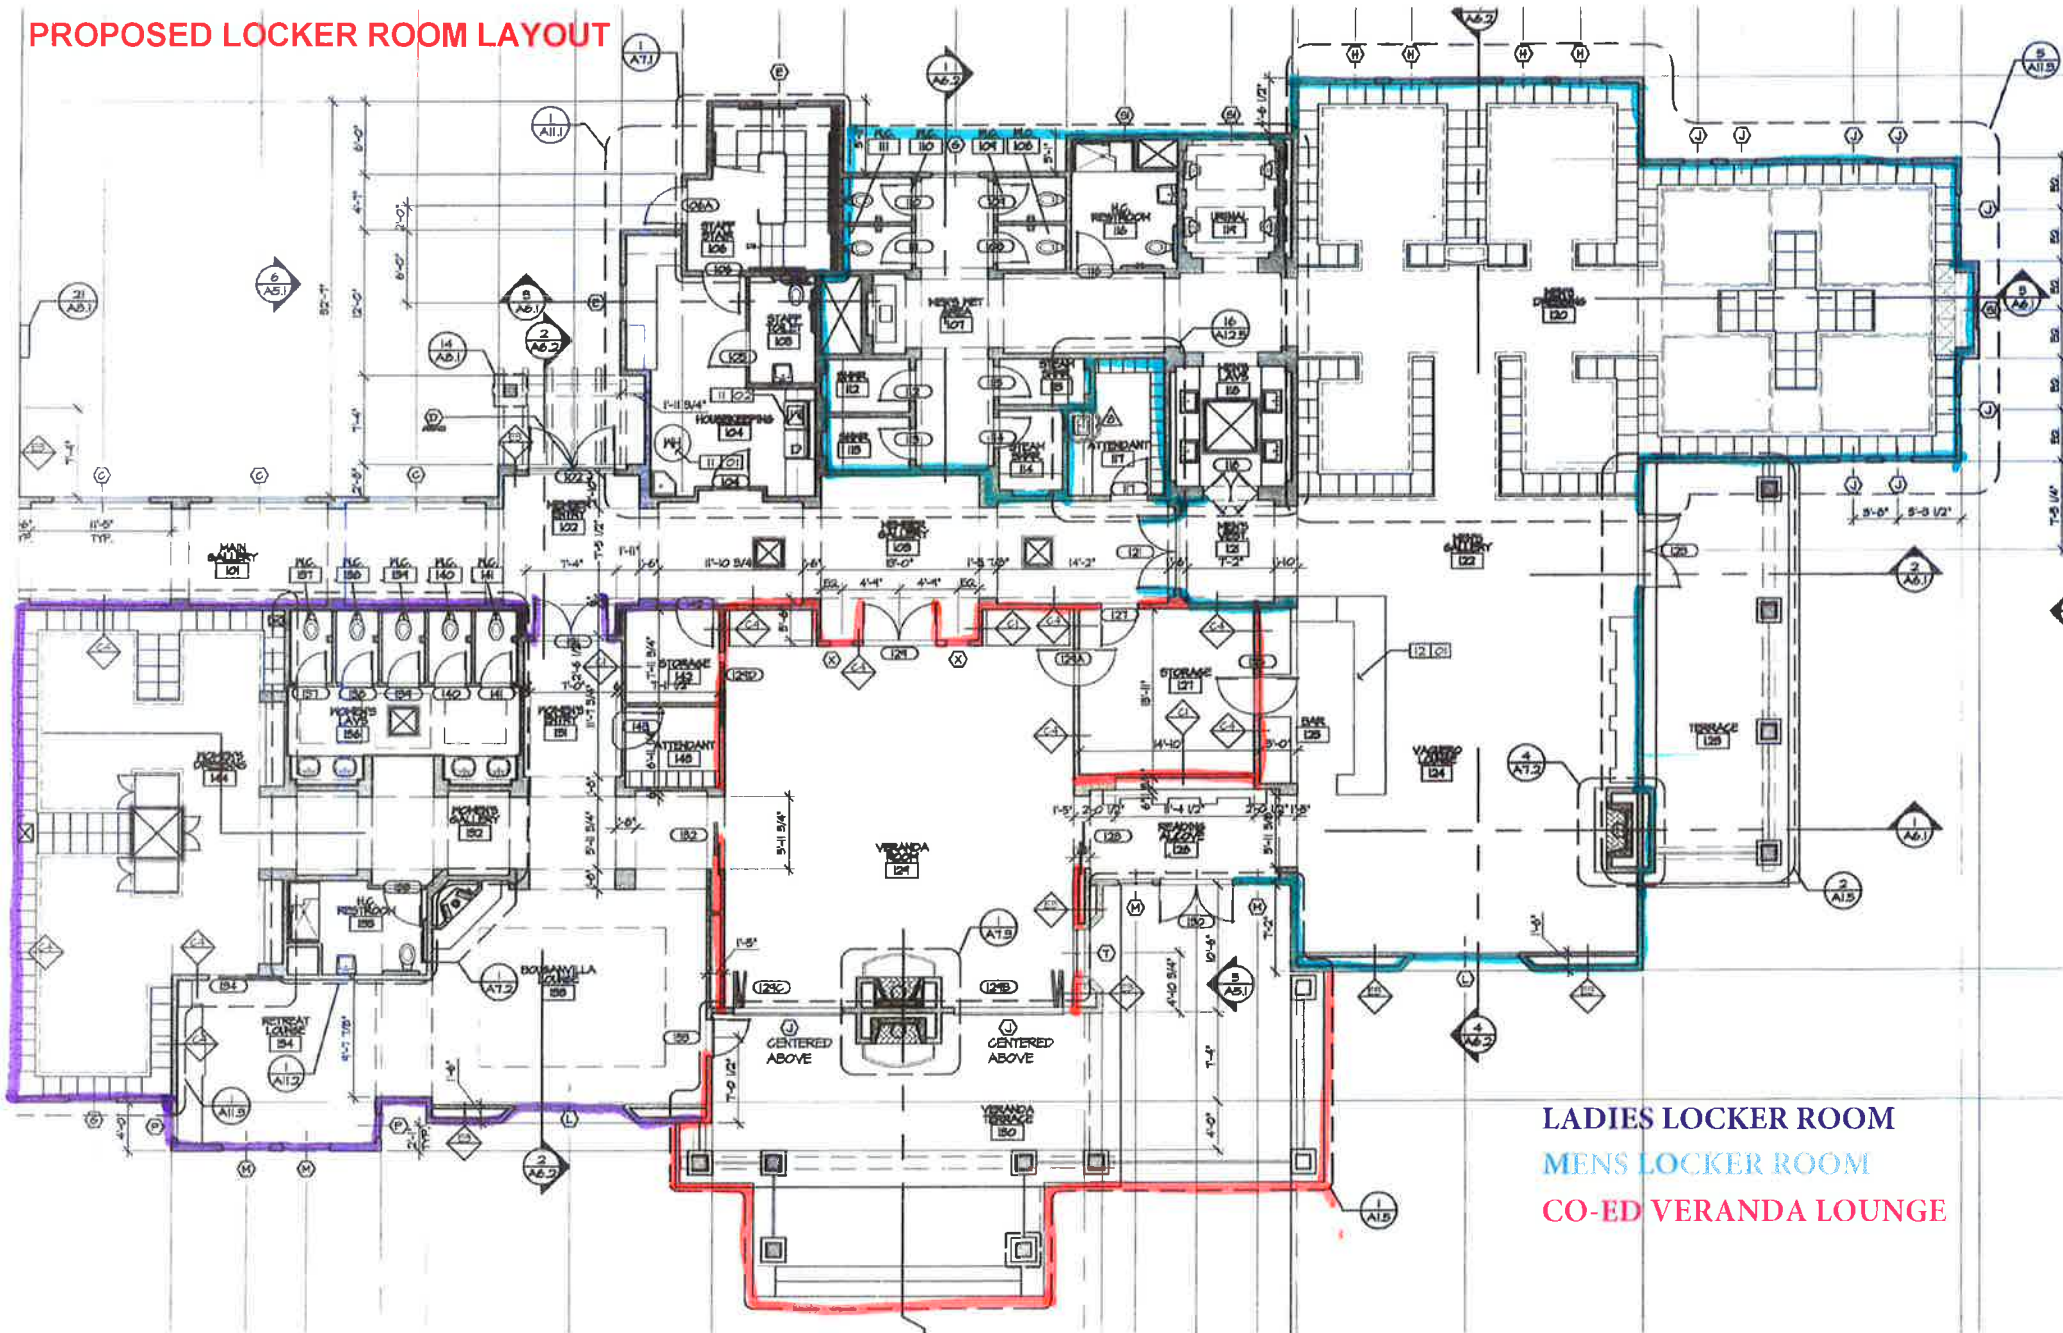

By way of background, the Golf Club intends to restore the men's and women's locker rooms to the originally-designed configuration as informal lounge areas appurtenant to the respective locker rooms, with services and facilities to be substantially equivalent and consistent with the original wishes of the golfers. The main purpose of both locker-rooms and appurtenant lounge areas was to serve as an extension of the golf experience (before and after rounds), with a secondary purpose of an informal meeting and social space.

The purpose and effect of the proposed revisions to the Golf Club Rules are to set forth the rights and obligations of golf members and their guests and families, consistent with the Governing Documents and the law.

Please feel free to provide written comments for the Board to consider at its open meeting to be held on May 6, 2021. The Board will consider all comments prior to formally adopting the rule changes. The Board may continue the matter to future open meetings if deemed appropriate for full consideration and revisions, if any.

Written comments may be submitted to memberinput@rsfassociation.org or mailed to PO Box A, Rancho Santa Fe, CA 92067.
