

# COURTNEY LEBEAU

FOR THE ASSOCIATION BOARD

Eighteen years ago, my husband, Paul, and I moved to Rancho Santa Fe with our two daughters. We moved here for the Roger Rowe School and for the real sense of Community. We quickly got immersed in the community by involving ourselves with the school, the Community Center, the Tennis Club and Rancho Riding Club. What we love most about Rancho Santa Fe is the beauty and peacefulness of its rural setting, the casual lifestyle and the many activities available to us to enrich our life.

## INVOLVEMENT IN THE COMMUNITY

### **Rancho Santa Fe Tennis Club:**

I have served on the Tennis Club for the past 6 years. I was President for 2.5 years and am now serving my last year as Vice President.

### **Rancho Riding Club:**

I served on the Rancho Riding Club Board for 2 terms and filled many rolls including President. After a brief break I am now serving on this Board again.

### **Rancho Santa Fe Women's Fund:**

I served on the Rancho Santa Fe Women's Fund Advisory Board for 4 years as Programs Chair.

My involvement in leadership positions has allowed me to build strong relationships with many of our community leaders such as the Association Board and staff, the Audit/Finance Committee and the Art Jury, to name a few. I am a team player and know how to listen. I believe a strong board works together, not separately, to keep our entire Community's best interests in mind.

I understand my role as a Board member is to ensure that important projects are started and completed in a timely and cost-efficient manner for the benefit of all.

## IMPORTANT GOALS

### **Community Assets :**

Strengthen the working relationships between our clubs, and the Association Board. Develop a Five-year strategic plan for these relationships.

### **Infrastructure:**

Complete the approved Roundabout project to better manage the heavy traffic flow through the Village. Continue to underground more power lines for fire safety and to insure insurance coverage. Persistently pursue road resurfacing, fire safety and fair water rates.

### **Osuna :**

Let's determine the best possible utilization of this fantastic 22-acre property with the entire community in mind. And then, let's do it!
